Dear Professor Bright:

I am gratified indeed that you plan to publish my paper "Response Cries" in LANGUAGE (September 1978). A properly edited copy is enclosed. You are welcome to use the first paragraph for an abstract.

I gave the paper at an ethology conference in Bad Homburg with the understanding that it had been submitted to LANGUAGE. The proceedings of the conference will be published in a year or so, and I ask permission, therefore, for its reprinting there. I will be happy to arrange for the standard reprinting fee to be paid.

Sincerely,
